Experience Israel With Dave and Jana Robbins

Join Dave and Jana Robbins for the "Trip of a Lifetime!"

"Jana and I would like to invite you to travel with us to the wonderful land of Israel. This is the place where God put His name! It's where the Lord was born, lived, called His disciples and eventually died. Join us at the Mount of Olives where the Lord left the Earth and will soon return! Experience the Word of God down the old roads in vivid color!

Don't wait! Time is of the essence. Start making your plans today! We will have an awesome time together!"
